Miss Tuke,
Principal, Bedford College for Women,
Regent's Park,
LONDON N.W.I.

Dear Principal,

We have heard from Mademoiselle d'Haussonville of the French Red Cross, that she is unfortunately unable to attend the Presentation of Certificates, owing to the fact that she is being sent to Montreal to attend the Congress of the International Council of Nurses. La Marquise de Ganay, Vice-President of the Société de Secours aux Blessés Militaires, French Red Cross, has very kindly consented to take her place. I am asking Miss Dorsey to arrange for her to meet the Students beforehand, as she is not familiar with our work as Mademoiselle d'Haussonville is, and it will probably be easier for her to speak, if she gets to know them a little first.

I am leaving for Canada to-morrow, and am so sorry that I shall have to be absent from the Presentation of Certificates.

With my very kind regards,

Yours sincerely,

Maynard L. Carter,
Chief, Nursing Division.

Galay
