

3rd February 1931.

Dear Mrs. Carter,

Neither June 26th nor June 27th is possible for Sir Arthur Stanley for the Presentation of Certificates. His Secretary suggests June 29th as a possible date for him. It is, however, an inconvenient one for the Principal though not impossible. An alternative date which would suit the College is June 23rd. Have you any reason to object to this date? I should be grateful to have your answer by return.

I enclose a copy of Sir Arthur Stanley's letter from which you will see that he is going to send the invitation to Lady Galway as soon as the date is fixed.

Yours sincerely,

Secretary.
