Dear Miss Tuke,

I very much appreciate the welcome you extend to me in your letter of May 22nd. I am looking forward to staying at Bedford College, and am very pleased to have the opportunity of meeting the International Students, The programme of the Summer School interests me a great deal, and I shall enjoy speaking about "Nursing Legislation and Organisation", since it plays a large part in my work in this office.

Yours sincerely,

Christiane Reimann
Christiane Reimann,

Secretary.
