Communications to be addressed to  
The Medical Officer of Health.

6th November, 1928.

Dear Madam,

I thank you for your letter of the 5th instant enclosing copy of the resolution which the Council of Bedford College for Women passed in connection with the facilities we gave to the two Austrian ladies who were delegated to us ~~in connection with~~ <sup>under your scheme for</sup> the training of public health students. I and my staff will at all times be ready to assist in this way when we are called upon to do so, and we are glad that what we were able to show the two ladies in question proved to be of benefit.

Yours faithfully,

The Secretary,

Bedford College for Women,
