

THE COLLEGE OF NURSING

INTERNATIONAL STUDENTSReportPractical work arranged for the students studying Hospital and Training School Administration - Summer 1937 -

Owing to the course starting three weeks later than usual, only three weeks' practical work could be planned. It was arranged for each student to have two weeks' experience in a voluntary hospital and one week in a hospital under the London County Council.

**Addition to Report on International Students'
Practical Work - Summer 1937.**

Miss Vostehn, who is Matron of a Children's Home in Finland, has needed somewhat specialised practical experience, and special arrangements were made for her to spend a fortnight at the Mothercraft Training Society, Cromwell House, Highgate, N. 6., and a week at the Children's Hospital, Birmingham.
