Dear Dorothy

re: Examination Board
Nursing Studies

This is to invite you to the main examination meeting of the Department of Social Policy and Social Studies of which Nursing Studies is a section. This is being held at Egham on 24th June at 10.30 a.m.

For purposes of convenience however we have also scheduled, as we did last year, a separate sub-examination board specifically for Nursing Studies on June 19th, 1986 at 2.30 p.m. at 11 Bedford Square, London, WC1., which we hope you will be able to attend.

Yours sincerely

Marion Ferguson
Director Nursing Studies.
