Dear Madam,

Nightingale Fund

You are no doubt fully aware of the experimental scholarship which the College of Nursing has asked my Committee to give to an experienced Sister Tutor to study advanced methods of teaching in connection with Bedford College and the Institute of Education of the University of London. I suppose the plan of the scholarship has been discussed with your principal and that she has agreed to give the scholar facilities for pursuing the course of study contemplated and I am therefore merely writing to you to say that my Committee has elected Miss Marian Edith Gould to hold the scholarship which will be held under the auspices of the Florence Nightingale International Foundation.

I am accordingly giving notice of the election to Miss Olive Baggallay the Secretary of that Foundation.

Yours faithfully,

W H Bonham Carter

Secretary of the Nightingale Fund.
