TECHNICAL EDUCATION BOARD,

13, Spring Gardens, S.W.

October 5th, 1896

Dear Madam,

Your letter to the Secretary of this Board was laid before the Board yesterday, and I am directed to inform you that the Board has not hitherto recognized any certificate or diploma as a qualification for employment on its staff, but will be willing to give weight to a diploma from Bedford College, as it does to \forall other diplomas on their individual merits.

Yours faithfully,

Ella Pycroft
