Secretary, Bedford College for Women,

N.W.1.

Dear Miss Monkhouse,

Thank you for the report on the work of the Organisation Committee from 1937 to 1939. I am very glad to have it and shall be circulating it to the members of the Grand Council so that they are able to study it before they come over in July. I think that it covers all the matters most admirably. There was one sentence in the third paragraph, page 2, under the heading - "curriculum" which I have ventured to alter after consultation with Miss Bridges: After "The Nursing School" I have put "and includes early history of and recent development in nursing education". I hope that you have no objection to this small alteration.

*Please note the new draft*

Yours sincerely,

*Olive Baggallay*
