Mar 24th 1923.....19.....

Dear Miss Duke,

With further reference to your letter of the 24th February I am very sorry to say that my Council do not feel able at present to expend any greater sum than hitherto upon hygiene and physiology for our students. Our numbers are low at present and we are barely meeting our current expenses. My Council greatly regret to have to come to this decision and much hope that should things revive in a year or so that you will allow us to approach you again in the matter. We have never had so successful a lecturer as Mrs Edkins and we feel much indebted to you and to her.

Yours very truly

Mary W. Thomas.
