28th September 1934.

Dear Mrs. Reid,

You will remember that at the meeting of the Organisation Committee in July last the report of the Sub-committee appointed to consider the recruitment of English Nurses for the International Courses was before the Committee, who were of the opinion that the whole question should be explored further. As a result the following resolution was passed:-

"that the report of the Sub-committee be received and the Sub-committee be asked to examine the question in greater detail and bring, if possible, more definite recommendations before the Organisation Committee."

Do you wish this sub-committee to meet before the Organisation Committee meeting which is to be called for October 9th?

Yours sincerely,

Secretary.
