Miss Monkhouse,
Bedford College for Women,
Regent's Park,
London N.W.1.

Dear Miss Monkhouse,

Very many thanks for the block which has just arrived. I will see that it is returned to you just as soon as it is finished with.

I am returning the draft prospectus to you and apologize for bothering you again, but it has now been edited, and in this process, has undergone certain changes with a view to shortening it still further.

Would you note especially Page 8 - Education Committee - and let me know if you approve of the change. If not will you be so kind as to add the wording you think necessary in order to make quite clear the relationship of your committee to the Provisional Committee.

Yours sincerely,

Maynard L. Carter,
Chief, Nursing Division
