

28th April 1938.

Dear Fräulein de Steller,

You will doubtless remember the Presentation Ceremony of 1924, when you were at Bedford College and received your International Certificate. The proceedings included a speech to the students from the nursing point of view and I am now writing on behalf of the Council of Bedford College to ask whether you will accept an invitation to give this speech this year to the 1937-38 Group on June 30th next, the date fixed for the Presentation Ceremony. It would be very delightful if you could accede to this request and it is much hoped that you may be able to do so.

I enclose for your information a prospectus of the courses because there have been many changes in recent years, all of which you may not be cognisant of.

The Ceremony will be at 5 p.m. and will be followed as usual by a Garden Party if fine and a Reception in the Oliver Hall if wet.

Yours sincerely,

Secretary of
