

196a

16th October 1930.

Dear Miss Rundle,

The Organisation Committee interviewed Miss H.C. Parsons on Tuesday and agreed to recommend to the Council her appointment as Tutor to the Nurse Administrator students at Bedford College for the session 1930-31. The appointment will be confirmed at our Council meeting on October 30th.

You made no mention of salary in your letter of October 10th. My Finance Committee will be glad to learn at what salary Miss Parsons is appointed.

The Committee realised that Miss Parsons experience had been confined to one hospital only and they think it would be valuable if she could be granted facilities for gaining experience in such other hospitals as are used for the training of the International students. My committee would be grateful if the College of Nursing could arrange for Miss Parsons to obtain knowledge of the administration <sup>in</sup> of such hospitals.

Yours sincerely,

Secretary.
