BEDFORD COLLEGE

(UNIVERSITY OF LONDON)

MEMORANDUM

To: Mrs M. Ferguson, Nursing Studies

From: Professor I. F. Burton

I have heard nothing from the Principal concerning Nursing Studies, but am to have an extended discussion with her and the Royal Holloway Principal on Friday, 14th December, and no doubt it will be discussed then.

I have just learned that nothing has been done about Mr Nazeer and have written to G. M. Russell accordingly.

I will look into possibilities concerning your students' travel expenses. I agree with you that we should accept that this is a departmental responsibility, if we cannot obtain other assistance.

With respect to the problems involved in placing students at Northwick Park or Watford, I think that all we can do is to go ahead and, while trying to keep expenses down, in the last resort we will have to insist that the College coughs up.
