Miss O. Monkhouse,  
Bedford College for Women,  
Regent's Park,  
N.W. 1.

Dear Miss Monkhouse,

At the meeting of the Education Committee yesterday the resolutions passed by your Council at its meeting on November 26th last concerning the proposed inclusive fee of £50 for the special course of lectures in "Social Administration" for our students were considered.

The Committee agreed that they would be very pleased to accept this offer, and understand that the number of students is to be limited to forty.

I am instructed to express the Committee's appreciation of this generous reconsideration of the question, realising that it may not be possible to continue such a course for more than the next year or two.

Yours sincerely,

H.C. Parsons.  
DIRECTOR IN THE EDUCATION DEPT.
