Dear Elaine,

Just a note to say thank you very much for the enjoyable day we all had at Whipps Cross Hospital on the 25th April last. The students expressed a lot of interest and found the experience very worth while even if some of the individual arrangements did not come off as planned, they said it was good to have been because each one was able to take home something. So there!

I certainly enjoyed my talk with your colleagues - and so thanks again for the provision of yet another learning experience.

With best wishes,

Yours sincerely,

Marion Ferguson  
Director Nursing Studies.

Dear Marian,

Just a note to confirm our telephone conversation about the arrangements for the 25th April.

I will be in the School of Nursing at 7.30a.m. to meet you and your students as you arrive on the transport, which has been arranged to meet you at Walthamstow Central Station.

I have been able to arrange for you to have a desk and a chair in the office shared by Mr. N. Somwaru in Room 8 in the School of Nursing and although it is a very small office I hope it will meet your needs for the day.

I have circulated details of the talk to you ~~are~~ going to give to my Service colleagues and have issued an open invitation to all members of staff who wish to attend. That will be between 1 & 2p.m. in Room 39 in the School.

Your students will be arriving at the School at 1.15p.m. to discuss their experiences with their partners for the morning and at 2.15p.m. they will be joined by Christine Hancock. The rest of the afternoon will be taken up with an evaluation session from them and I envisage this finishing about 4p.m.

I hope all these arrangements are satisfactory and I look forward to seeing you on the 25th April.

Yours sincerely,

*E. Fawell*
