Madam,

With reference to the interview which you had with me on the 22nd instant, I am directed to say that, as was suggested at the interview, the Board consider that the formal application of the College Authorities for recognition of the courses in Hygiene now being carried on should be postponed until the College has had an opportunity of considering the Board's new Regulations which are now in active preparation.

I am, Madam,

Your obedient Servant,

Miss M. Tuke,
