Concerning Endorsement of Certificates.

Extract from Council Minutes 4th February 1931.

"The Council received the following recommendation from the Organisation Committee:-

"That the certificates be endorsed as follows:-
'The student has done satisfactory work throughout the course and has attained a pass standard in..... with distinction in the following subjects....."

The form of endorsement was discussed and the Council were anxious that the wording decided upon should leave no opening for a false impression that an examination had been held. They therefore asked that the endorsement of the certificates should be amended to read as follows:-

"The student has done satisfactory work throughout the course and has attained in her work during that time the required standard in.....with distinction in the following subjects....."

RESOLVED that the Council of Bedford College approve the form of endorsement of the League of Red Cross Certificates provided it be amended to read as follows:-
"The student has done satisfactory work throughout the course and has attained in her work during that time the required standard in.....with distinction in the following subjects....."

Case of Miss Zukowska.

Resolutions passed by the Organisation Committee at
their last meeting.

RESOLVED that Miss Zukowska, after due warning that it was very improbable that her work would be good enough to justify the award of the League of Red Cross Certificate at the end of the year, be given the option of withdrawing from the course at once, and making herself as proficient as possible on the Hospital Administration side, or of continuing with her present work for one more term on the chance, which in the opinion of those who knew her best was considered very slight, of her showing sufficient improvement to complete the course successfully.

that in the event of Miss Zukowska choosing the alternative of continuing with the course, her case be brought up for re-consideration at the May meeting.

Change of date of "Presentation of Certificates" 1931.

by the Organisation Committee
To report that the date fixed/for the Presentation of Certificates
had had to be altered as neither June 26th or June 27th were
possible days for Sir Arthur Stanley; that the Presentation
was now fixed for Monday June 29th and a notice to this effect
had therefore been sent to the Organisation Committee.

196C

Appointment of Visiting Lecturers for 1931-32.

Recommended at the last meeting that :-

Dr. GLOYNE should give 6 lectures on "Tuberculosis"

Dr. HUTCHISON " " 6 " " "Psychiatry".

Now proposed to alter the number of lectures.

Lectures in "Health Publicity"

To report that Miss M.H. Keating, Organiser of the National Council for Maternity and Child Welfare" has accepted an invitation to give four lectures on "Health Publicity" to the International Students during the current term.

(It is proposed to consider her re-appointment for next session at the next meeting of the Organisation Committee when it will be known whether her lectures have been a success.)
