THE COLLEGE OF NURSING

7, Henrietta Street,

Cavendish Square, W.1.

10th, October, 1925.

Miss Tuke,
Bedford College for Women,
Regent's Park, N.W.1.

Dear Miss Tuke,

We have received this morning an application from one of our College Members to take the single course of lectures on Hospital Administration, which course begins on Thursday, 15th October. The name of the student is Miss Seary, and I very much regret that we have not had up to date any other applicants for this special course of training.

Miss Seary has paid her fee, but I think perhaps you would prefer this sent when the College settles its account for their other students. If, however, you prefer it to be quite separate, it shall be forwarded to you.

Believe me to be,

Yours faithfully,

(Signed) GERTRUDE COWLIN

Librarian and Education Officer.
