Dear Mrs. Morgan,

Owing to unforeseen circumstances resulting in a reduction in placements, I have had to cancel the introductory community module for our students in October/November 1982.

This is a great disappointment to me: I have been waiting to see the A Level results and size of the new intake to see if we could possibly squeeze them in - hence my delay in notifying you.

I hope, however, to have a similar programme for the 1983 intake, and the January/March 1984 experience for our third years remains unaffected.

Yours sincerely,

Liz Meerabeau,
Lecturer in Nursing Studies

Dear Mrs. Meerabeau,

Further to our discussion last week, I am now confirming that we will take two of your students on B.Sc./S.R.N. course for their Community experience. I also confirm that the days you have requested for this year are 21st and 22nd October, 28th and 29th October and 4th and 5th November.

I look forward to receiving the programme and profile of the course and also the dates for the meeting that you suggested would take place in September.

I wish you every good luck with this new venture and hope that we can be of some help.

Yours sincerely,

Joan Morgan (Mrs)
Senior Nursing Officer (DN/HV)
