Telephone message from Miss Bowes of the College of
Nursing - 14th October 1929.

Miss Bowes rang up to-day to say that the matter of fees
paid by the College of Nursing to Bedford/and by Bedford College
to the College of Nursing in connection with the Nurse
Administrators Course was coming up before her committee this
afternoon; that they were proposing to the Committee as follows:-

- (1) That Bedford College be not responsible for the payment of Miss Musson's ~~fees~~ lectures to the Group because other students in addition to those from Bedford College come to these lectures, but that they pay a subsidy of 20 guineas towards the course plus fees at Bedford College Inter-collegiate rates per student (£1.9.6) for a course of 10 lectures.
- (2) That they were further going to put forward the suggestion that all other lectures whether for College of Nursing students at Bedford College or for Bedford College students at the College of Nursing be paid for at the rate of £1.9.6 per 10 lectures with a corresponding reduction for a shorter course.
