Miss O.E. Monkhouse,
Bedford College for Women,
Regent's Park, N.W. 1.

Dear Miss Monkhouse,

Thank you so much for your letter of October 17th. The question of re-appointing a representative from the College of Nursing on the Committee for the Organisation of Courses for International Students in place of Miss Darbyshire, was discussed by the Education Committee at its meeting on Wednesday last, November 6th.

It was definitely agreed that if Miss Darbyshire was willing to continue to serve on her return in six months' time, no appointment should be made in her place during the interim period. I see in your letter that you say Miss Darbyshire is to be out of England for a whole year, but she informed the Education Committee that she would only be away for six months, so that we shall hope to have her services again before very long.

Thank you so much for informing the College of Nursing of the wishes of the Committee for the Organisation of Courses for International Students.

Yours sincerely,
H.C. Parsons
