Paris, 21st February, 1927.

Miss Monkhouse,
Secretary,
Bedford College for Women,
Regent's Park,
London, N.W.1.

Dear Miss Monkhouse,

Re Miss Charley

You will remember that Miss Charley was the British student who took the Public Health Course in 1923 - 1924 and obtained the Health Visitor's Certificate. She should have been eligible for a grant from the Ministry of Health, but I hear from her that she has not received it.

Would you be so kind as to let me know if the claim was made? I can find no trace of its having been paid to Paris and think that it may possibly have been overlooked.

With kind regards,

Yours sincerely,

Maynard L. Carter,
Acting Chief, Nursing Division.

MLC/HMS.
