Dear Madam

I am desired by Miss Stewart, President of the Matrons' Council, to acknowledge your letter of the 3rd inst, & to ask you to convey to the Council of Bedford College the thanks of the Matrons' Council for the courteous consideration accorded to her letter.

Miss Stewart, with Mrs Bedford Fenwick, our Senior Councillor, will have pleasure in attending a meeting of your Board of Education for the purpose of conferring with it upon the subject of your letter.

She asks me to say however that she had arranged to go abroad shortly, for ten

days which include the date (Thursday
February 19th) suggested for the Conference.
She would, if necessary, cancel this
arrangement in order to attend your
meeting, but if Thursday February 26th
would be equally convenient to your Board
she would be greatly obliged if this date
could be arranged.

M^{rs} Bedford Fenwick could attend on either
the 19th or the 26th

May I ask you kindly to let me have
a reply, if possible, by the messenger
who will wait for answer.

I am
Dear Madam

Yours faithfully

Margaret Preece
Hon. Sec.

Miss Hilda Walton
Secretary of Council
Bedford College for Women.
