2nd December 1927.

Dear Miss Lloyd Still,

We are trying to arrange a meeting of the Committee for the Organisation of Courses for International Students for Tuesday, December 13th at 3 p.m. The main object of the meeting is to consider the organisation of the practical work of the International Students for next year. Before sending out the notice of this meeting, I would be glad to be assured that the date proposed is possible for you. The Principal's dates are now so full up that it is very difficult to find free times, but if December 13th is impossible for you, perhaps you would mention one or two possible dates and I would do my best to re-arrange the meeting.

Yours sincerely,

Secretary.
