Dear Principal,

At the meeting of the Provisional Committee held on May 17th it was decided that the Report of the Provisional Committee to the Inaugural Meeting should include, besides the Chairman's report, a Report from Bedford College on the Session 1933/34.

I am writing on behalf of the Provisional Committee therefore to ask you if you would be so kind as to prepare a report on the work of your Committee during the past session, which can be included in the Provisional Committee Report. I would be very much obliged if I could have this report before June 15th.

Yours sincerely

Ernest J. Swift
