

Telephone message from Sir Arthur Stanley's Secretary

Lady Galway is well and is fulfilling all her engagements and is going to speak. Sir Arthur Stanley has had a letter from Mrs. Belmont saying she cannot come and has written to Mrs. Carter telling her that he has heard that Mrs. Belmont cannot come and that it would be very acceptable to the Organisation Committee if she would take her place and speak at the Presentation of Certificates. He has also written to Mrs. Carter about Lady Galway who wants to know how long her speech is to be and asked Mrs. Carter to answer her.
