19th February 1935.

Madam,

I am writing on behalf of the Council of Bedford College to say how honoured they are to learn that you have accepted the invitation of the Florence Nightingale International Foundation to present the Certificates to the International Students on July 4th, 1935. The ceremony is held at Bedford College because all the work in preparation for the Certificate is either done or organised by this College, but it is the Florence Nightingale International Foundation who supplies the students, and the Certificate bears Florence Nightingale's name, so the ceremony is in every sense a joint one.

I enclose a list of the speakers arranged for July 4th.

I have the honour to be, Madam,

Your obedient servant,

Secretary of Council.

To Her Grace the Duchess of Devonshire,
Chatsworth,
Bakewell,
Derbyshire.
