London, N.W.1.

Dear Miss Monkhouse,

I am sending you, under separate cover, 25 copies
of the curriculum for the session 1931/32.

I hope to be in London for January 12th, for the
whole of that week, and will get in touch with you before
the meeting of the Committee for the organization of the
International Courses in case there is anything we must
talk over.

With kind regards,

Yours sincerely
