Principal,
Bedford College for Women,
Regent's Park,
N.W.1.

Dear Miss Jebb,

At the recent meetings of the Grand Council of the Florence Nightingale International Foundation, a unanimous vote of thanks was passed to Bedford College for Women for their co-operation in the work of the Foundation and for all that they have done to make the International Nurses' Courses in London a success.

The value of these Courses is generally recognised in most of the countries of the world, and the Certificate given to students on successful completion is an accepted qualification for positions of importance in the nursing profession.

The Grand Council are very conscious of the debt of gratitude they owe to Bedford College, both for their sponsorship of the Courses, and also for the detailed care with which the various individual problems are handled.

May I ask you to convey to the Council of Bedford College and to the Committee for the Organisation of International Courses, this message of appreciation from the Grand Council.

Yours sincerely,

B.G. Alexander

B.G. Alexander.
President.
