Miss Monkhouse,  
Bedford College for Women,  
Regent's Park,  
LONDON N.W. I.

Dear Miss Monkhouse,

I am enclosing you a list of the application forms up to date, for the course 1928/29.

You will note that we have received an application from the Indian Red Cross for the admission of a medical woman to the course of Nurse Administrators and Teachers. We have already communicated with the Indian Red Cross saying that the medical woman would be ineligible for this course; but as we are extremely anxious to help the Indian Red Cross to improve nursing conditions, we are inviting her to make a special study of nursing conditions in Europe. I am bringing her application before your committee for discussion, in order to get its endorsement to the action which we have already taken.

I hope you have had a good rest during your vacation.

With my very kind regards,

Yours sincerely,

Maynard L. Carter,  
Chief, Nursing Division.
