Dear Madam,

The Bedford College has shown me a great honour by inviting me to speak to the International Students at the presentation of certificates on July 8<sup>th</sup>.

I accept the invitation with the greatest pleasure as of course I am very

much interested in the work done by  
trained nurses and women doctors in  
different parts of the world, having seen  
the necessity ~~and~~ the effects of such inter-  
national work especially during the  
18 months I spent in the East some  
years ago.

I shall be very pleased to make your  
acquaintance, looking forward so much  
to my visit in Great Britain.

Yours sincerely,  
Abul-Samed Qutub
