

September 22nd, 1922.

Dear Mrs Thomas,

I am now writing to say that Mrs Edkins could give the special lectures to Hospital Almoners at the following times :

- Tuesday at 5.15
- Monday at 5. 15
- Wednesday at 4.15

Tuesday at 5.15 would be the most convenient hour but she could arrange for either of the other times, if it would suit your students better.

Yours very truly,

Principal.
