Dear Miss Whorlow,

The ceremony of the Presentation of Certificates to International Students on Friday next is now to be held in New Hall. It will therefore be possible for all the students who have been invited to the Garden Party afterwards to come to the ceremony itself, which starts at 3.30 p.m. Everybody must be in their seats by 3.15 at the latest. Will you kindly put up an urgent notice in suitable places, informing the students invited to the Garden Party that they can come to the ceremony in New Hall, and asking them to sign by mid-day on Thursday at the latest if they wish to do so. I must know as soon as possible how many seats will be required. The gallery will be reserved for students; please make this clear also.

If anything is not quite clear to you, will you come and see me about it sometime this evening.

Yours sincerely,

Secretary.
