6th February 1933.

Dear Sir Arthur,

Since fixing with you the date Monday June 26th for the ceremony of the Presentation of Certificates to International Students, we have learnt from the University that this date is reserved for a very important matter which concerns all the Colleges of the University. It has therefore been necessary to change the date once more. Would Friday June 23rd be a convenient date for you? This date will suit the League of Red Cross Societies and Bedford College.

I am very sorry indeed to have to ask you to change again and trust the new date will not be less convenient to you than June 26th. There is one good result which comes out of the change of date as we now hope to be able to secure as speaker Professor Jameson, Director of the London School of Hygiene and Tropical Medicine, who was unable to come on the 26th.

Yours truly,

Secretary.
