Dear Sir Arthur,

As agreed with you over the telephone this afternoon I am writing to ask if you will be so very kind as to invite the American Ambassador, Mr. Joseph Kennedy, to present the Certificates and speak to the F.N.I.F. Students at the Presentation Ceremony which is fixed for Thursday, 6th July, at 3 p.m., at Bedford College. I am so glad that you think that Mr. Kennedy is a good suggestion, and I much hope that he will say "Yes". He will make a good combination with Miss Alexander, the President-Elect of the Florence Nightingale International Foundation, who we hope will speak to the students from the nursing point of view. Thank you again very much for writing to Mr. Kennedy on our behalf.

Yours sincerely,

Secretary.
