Miss Olive Monkhouse  
Secretary Bedford College for  
Women  
Regent's Park  
London W.1

Dear Miss Monkhouse,

I have been very honored, and much surprised in receiving your letter of March 25th inviting me to speak at the presentation of certificates to the International students, at Bedford College on June 29th.

I accept the invitation of the Council of Bedford College, and will be glad to speak of the work done by former students of the International group, as you suggest it.

I am looking forward to go to London and be at Bedford college again, remembering the interesting time we had at the " Reunion" in 1928

With thanks

Believe me  
sincerely yours
