Dear Principal,

I have just received a telegram from the Japanese Red Cross Society informing us that they will accept our invitation for a Japanese Red Cross nurse to give a greeting at the Presentation of Certificates. It seems a little doubtful as to whether Mrs. Hagiwara will be coming but we can certainly count upon someone.

In view of the great interest which Mrs. Bedford Fenwick has shown in the securing of scholarships next session it seems to me desirable to ask her to speak for two or three minutes. If you approve of this I will write to her and will, at the same time, ask her to limit her speech to a few words as the program is already rather long.

Yours sincerely,

  
Ernest J. Swift  
Secretary General.
