20th July, 1984.

Dear Miss Ferguson,

Examiner - Nursing Studies

Thank you for your letter of 10th July which reached me only this morning.

I would be pleased to accept your invitation to become an examiner for the fourth year students graduating in 1985 and 1986.

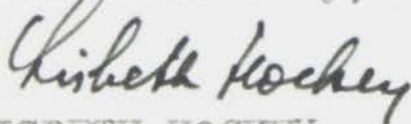

It will be a privilege and a personal pleasure for me to collaborate with you in relation to this commitment.

Because of some overseas commitments I already have for 1985 and 1986 it would be helpful to know at what time of the year the scripts would be available for marking.

I look forward to hearing from you.

Kind regards and best wishes,

Yours sincerely,

LISBETH HOCKEY

Dear Dr. Hockey

Examiner - Nursing Studies

Thank you for your letter of 20 July 1984, accepting our invitation to become an examiner for our 4th year students graduating in 1985 and in 1986.

I am delighted that you have been able to accept the nomination and if during your travels you should be in London I hope that we can meet.

Usually, our examinations take place during June and the actual examination date will be Thursday, 27 June.

With very best wishes,

Yours

Marion Fraser
Director
Nursing Studies.
