

9th February 1938.

Dear Dame Alicia,

I am writing to let you know in case you have not already heard that the date for the Presentation of Certificates has been fixed for Thursday, 30th June. The Committee decided to ask Dame Florence Barrie Lambert to speak to the students from the nursing point of view, but nothing was decided about other speakers. Sir Arthur Stanley suggests one of the distinguished Red Cross representatives who will be in England for the International conference this year, and has promised to make a suggestion later. If, however, you have any suggestion to make, I would be most grateful if you would let me have it, as we have a meeting of the Organisation Committee on February 28th.

Yours sincerely,

Secretary.
