The College of Nursing.

(Incorporated by Royal Charter.)

HENRIETTA STREET, CAVENDISH SQUARE, LONDON, W.1

3 July 1930.

Dear Miss Monkhouse,

Following my letter of the 28th June, I have now to say that my Committee has decided to advertise for a Director in the Education Department of the College, who will carry out the duties of Tutor for the Nurse Administrator Students.

My Committee would be grateful if Bedford College would send a representative to serve on the Selection Committee.

The last date for receiving the applications for the post is July 16th, I regret therefore, that there will be no recommendation to make for the Organisation of Courses for International Students Committee, which meets on July 8th.

My Committee is making arrangements for the Students practical work in the interim before the Director takes up her duties, and I hope to have an opportunity of conferring with your representative on this matter at an early date.

I remain,
Yours sincerely,

M. S. Rendell.

Secretary
