31st July 1931.

Dear Sir,

Thank you for your letter and receipt dated 30th July 1931. I apologise for the mistake in Miss Crothers' name.

With regard to Miss Parker, the Ministry write that her grant cannot be allowed as it is not now Miss Parker's intention to work as a Health Visitor in England or Wales. We shall therefore have to repay to the Ministry the £6 paid for her. Please do not trouble to return to me the £6 but keep it in respect of the further £9 which will be due for Miss Merry in the course of this year. As soon as the 2nd instalment is received I will send you the balance of £3.

Yours truly,

Secretary.
