MEMORANDUM

To: Mrs. M. Ferguson, Director of Nursing Studies

From: The Accountant

30 March 1983

INSURANCE COVER FOR NURSING STUDENTS

I have received your memorandum of 28 March. As I reported in my memorandum of 15 February, the matter of further indemnification was referred to our Insurers who have since replied, and this has been passed to the Secretary. The Secretary has been in touch with Middlesex Hospital, and arrangements are being made for a meeting after Easter.

However, the Insurers and the Secretary are firm in that any reassurance sought by the Ward Sisters must be obtained by them from the Hospital authorities and not directly from ourselves.
