Miss Monkhouse,
Bedford College for Women,
Regents Park,
N.W.1.

Dear Miss Monkhouse,

Very many thanks for your letter of the 11th inst.

I am very interested in what you tell me of the International Students who are to be at Bedford College next year, and I do not think there should be any great difficulty in insuring them against **Illness & Accident** while they are in this country.

I did not reply to your letter yesterday, as I hoped to be able to report to you that Miss Olmsted had been here and that we had been able to arrange matters. As she did not come, perhaps you could let me have her address, in order that I might get into direct communication with her and arrange to see her.

I enjoyed Mrs. Forbes' lecture very much indeed, but regretted I did not see you, I had to hurry away at the last. Many thanks for asking me to come and have tea with you. Would Wednesday the 22nd inst suit you? I am afraid that is the only day next week that I may be sure of being free at tea time; the following week Monday the 27th or Wednesday the 29th would be alright for me.

I remain,
Yours sincerely,

Robina M. Scott

been here & I hope to be able to
submit a scheme.
