

26th November 1928.

Dear Madam,

Thank you for the cheque for £44.17.0, which you have sent in respect of courses attended at Bedford College by the Health Visitor Students from the College of Nursing during the present term. I would, however, be glad if you would send me details showing on what basis the payment is made, giving the classes attended and the numbers of students attending each.

Yours truly,

Secretary.
