

Parkinson  
BC AL/353/10/3/7

286B

Lt.-Col. G.S. Parkinson has been appointed Assistant Director of Hygiene of the Eastern Command and he very much regrets that he will not be able to give the course of lectures usually arranged for the autumn term should it be found possible to provide these even in some modified form.

9th September, 1939.

D.D.M.S. Office,  
Eastern Command,  
Hounslow Barracks.
