Regent's Park,  
N.W.1.

Dear Miss Monkhouse,

I am enclosing the account sent to me by Miss Bowes for those students who have been attending the lectures on Tropical Disease Nursing. These are correct.

May I ask you if you can give me information concerning Miss Janet Moore (New Zealand 1924-25). We are giving her a duplicate certificate and I wish to know in what subjects she took the examinations and passed. I have been unable to find a record of it here. I am sorry to trouble you, but I should like to have this as soon as you can give it to me.

Yours sincerely,

Nan L. Dorsey.  
Superintendent.
