Dear Mrs. Reid,

Will you be good enough to look through the enclosed draft of the Prospectus for International Students for 1934-35 which I now enclose? Mrs. Carter sent it to me this morning and asks to have it back as soon as possible.

Yours sincerely,

*Olive E. Monkhouse*

Secretary.

I have made some alterations affecting the  
Practical work arrangements which  
Mr. Baggally is to regard as more

correct. *J. M. R.*
