9th February 1931.

Dear Mrs. Carter,

When I wrote to you on Saturday I omitted to send you the formal resolutions of the Council concerning Speakers for the Presentation of Certificates:-

"That Mrs. Carter ask the League of Red Cross Societies to invite Mrs. Belmont to speak on behalf of the Board of Governors of the League.

That Lady Galway, and failing her the Duchess of Atholl, be asked to present the certificates to the students in the summer of 1931.

That Miss Mechelynck be invited to speak on the Nursing side and that the invitation be sent from the Council of Bedford College."

Yours sincerely,

Secretary.
